NAPOLETANO BIO ORGANIC GOLD 100% & FAIRTRADE ARABICA

As good as coffee at a bar in Naples, with its intense flavour and long-lasting crema, Napoletano is the ultimate of coffees. This is the most authentic interpretation of an all-Neapolitan art.

The popular BIO bar blend is now available in a retail tin.

A perfect balance between sweetness & acidity, BIO has a beautifully strong floral aroma with delightful hints of almonds & spices. This blend gives a definite sweetness to the espresso with a pleasant after-taste. Accredited by both FairTrade & Organic, we are proud that BIO is a winner of a 2015 Caterer Product Excellence Award.

Delicate and pleasant. An extraordinary blend of 100% fine Arabica coffee from Central and South America. A delicate flavour and tantalizing aroma.
